MATH 4513 COURSE INFORMATION
SPRING 2006

Instructor: John Albert

  Office: PHSC 1004

  Phone: 325-3782

  Office Hours: Mondays, Wednesdays, and Thursdays from 2:30 to 3:30 (or by appointment)

Prerequisite: Senior standing or permission of instructor

Materials: We will not be following a text, but the course will mostly be based on topics from *Mathematics and Its History* by John Stillwell, a copy of which is on reserve in the mathematics library.

   Information about the course will be posted on the course web page, which is at
www.math.ou.edu/∼jalbert/courses/4513sp06.html .

Grading: There will be several homework assignments, one midterm examination, and a final exam. In addition students will do a project and make a short presentation on it in class. Equal portions of your grade will come from (i) presentations and class participation, (ii) homework, and (iii) examinations.

   The final exam is scheduled for Thursday, May 11, from 8:00 to 10:00 am. The midterm examination will be given during a regularly scheduled class period, on a date to be announced later.

Disabilities: Students with disabilities who require accommodations in this course should speak with me as early in the semester as possible.
